

# PLANAR INTERNATIONAL LCD LIMITED WARRANTY

This LCD Video Walls & Displays Special Limited Warranty (“Warranty”) is offered by Leyard & Planar Singapore Pvt. Ltd. (“LPSG”), doing business as Planar International, concerning certain Planar Systems, Inc. (“Planar”) branded products listed in Schedule A, the **Covered Products Table** (referred to as a “Product” or plural, “Products”) sold within Asia<sup>1</sup>, the Middle East, Africa, Australia & New Zealand (the “Territory”), subject to the terms and conditions of this warranty statement.

## LPSG LCD Video Walls & Displays Special Limited Warranty

LPSG warrants to the original registered end user customer who purchases new Products covered by this Warranty from LPSG or its authorized dealer or distributor (“Customer”) that, commencing from the date of LPSG’s initial shipment of the Product, the Product will be free from defects in material and workmanship for the specified period listed on Schedule A (the “Warranty Period”) under normal use and maintenance.

Customer’s sole and exclusive remedy under this limited warranty will be, at LPSG’s determination, repair or replacement of any component part or Product according to the process described in this warranty. Replacement parts or Product may be new or refurbished. If repair or replacement is determined by LPSG not to be commercially feasible, LPSG will refund a prorated share of the price at which LPSG originally sold the Product. The prorated refund will be calculated based on the remainder of the warranty period of the Product and the price at which LPSG sold the Product.

In the event Planar discontinues manufacture of the Product, the planned warranty support period will be included as part of the end of production announcement. As used herein, “end user” means use of the Products for your personal use only and excludes resale, rental, lease or transfer of any kind.

Additional warranty specifications are detailed in the Schedule A.

## Repair & Replacement

The Products are designed to be easily serviceable by the Customer. The majority of parts are built as modules called Field Replaceable Units (“FRUs”). It is often easier and more cost effective for Customers to replace FRUs than to send the entire Product back to the factory for repair.

### General Process

Upon discovering a problem with the Product, please follow the procedures below:

1. The Customer or its authorized dealer contacts Technical Support via email or phone, see **Technical Support Contact Information** below.
2. You must have the model number, serial number and original proof-of-purchase available. Provide the serial number, product model number, purchase date, description of the problem and troubleshooting steps already attempted.
3. Technical Support will attempt to correct any minor issues that might be causing the problem. If Technical Support is unable to resolve the problem through troubleshooting and confirms this Warranty likely applies, Technical Support will issue a return material authorization (“RMA”) for the defective part, which may be repaired or replaced.
4. If applicable, Customer will:
  - a. Return only the defective part or Product.
  - b. Return the part or Product to the repair location specified by the Customer Service Representative. Clearly mark the RMA number on the shipping box. Verify that the RMA number on the shipping box matches the RMA number for the defective part being returned.

- c. Customer is responsible for all shipping charges for warranty repair of Product both ways, including but not limited to freight charges, taxes, duties and insurance. Customer must arrange for payment of return shipping to Customer in advance.

## Warranty Restrictions

The LCD Video Walls & Displays Special Limited Warranty does not include or is limited by the following:

3. Product that has been resold, transferred, rented, leased, lost, stolen or discarded.
4. Rental costs for temporary replacement products.

6. Labor or travel costs for installation, set-up, repair, adjustment to display settings, removal, reinstallation or other services.
7. Product that is physically uninstalled and moved, unless LPSG Professional Services handles the move.
8. Bright or dark sub pixels that are characteristic of LCD technology and are within Planar's manufacturing specifications.
9. Damage, deterioration or malfunction resulting from:
  - a. Accident, abuse, misuse, neglect, improper ventilation & cooling, adverse environment (e.g., dust), fire, water, lightning or other acts of nature, smoke exposure (cigarette or otherwise), unauthorized product modification (if applicable, including use of an unauthorized mount), failure to follow instructions supplied with the Product, or operating the Product outside the suggested normal usage conditions stated in the User Guide.
  - b. Installation, removal, disassembly, reassembly, upgrade, repair or attempted repair by anyone other than LPSG. Use of supplies or parts not meeting Planar's specifications. Opening of the chassis by untrained personnel, tampering with internal circuitry or removing or replacing any internal components or parts of the Product.
  - c. Any damage to the Product during or due to shipment. If the security tape has been removed, LPSG will assume the product arrived with no shipping damage.

2. If a part or Product is returned and is determined to be a No Fault Found (“NFF”) unit or the part or Product is returned and determined to be excluded from this Warranty, LPSG reserves the right to invoice the Customer for any costs incurred by LPSG.
3. It is the responsibility of the customer to properly package the defective Product and ship it to the address provided by the Customer Service representative with the RMA number prominently displayed. If the defective Product is not properly packaged and is damaged in transit during its return to LPSG, the customer may be charged for either the repair costs, if repairable, or the MSRP of a replacement product.
4. Shipment delivery time and availability may vary based on origin and destination. LPSG is unable to deliver to PO Box and APO/FPO Box addresses.
5. Replacement parts or Product will assume the remainder of the original Product’s warranty or 90 days from the date of shipment, whichever is longer.
6. Customer agrees to retain the replacement part or Product delivered by LPSG and that the returned defective part or Product becomes the property of LPSG.
